

## Darren Sabom

### Associate

As an Associate with PM Realty Group (PMRG), Darren Sabom is responsible for evaluating investment alternatives and then providing concise tools that facilitate strategic decision-making. In this role, he follows many assets through their full life cycle, from acquisition to asset management, and finally to disposition.

Mr. Sabom came to PMRG in 2009 after working for a Houston-based private equity real estate investment firm, where he oversaw the development of four assets with a total capitalization of \$320 million. Prior to that position, Mr. Sabom worked his way up in the construction industry, first as commercial carpenter, then as a site superintendent, and eventually as the project manager for a residential developer building multi-million dollar green homes.

Mr. Sabom received a bachelor's degree from Occidental College in Los Angeles and a Masters of Business Administration degree from The Tepper School of Business at Carnegie Mellon University in Pittsburgh. Mr. Sabom is active in various community service organizations and also serves as the Chairman of BikeHouston, the region's cycling advocacy organization.
